Say hello to our latest collection

Cheshire Mouldings is the one stop shop for all your timber and joinery needs and with our new range, we are offering even more products to help you create your perfect home. New for this year is a beautiful range of oak doors, stunning collection of wood flooring and intricate selection of skirting and architraves.

Our range of doors offer the perfect combination of quality, durability and design to enhance the look of your interior. With everything from the traditional four-panel design to the sleek and contemporary modernus range, our varied collection has something to suit every room.

Finish and enhance the look with our collection of skirting and architraves available in four different styles.

Our wooden flooring range offers a warm and timeless look in your home. These stunning boards are created from 100% responsibly sourced wood - offering an authentic finish that not only looks great, but is durable and easy to install too.

Door Linings

- Designed to work with our range of doors only
- 2 year guarantee
- Genuine engineered Oak
- Cut down to size to fit your door frame

Our door linings come in various sizes ensuring it will fit perfectly into your home, our internal door linings are made with genuine engineered oak.

Our door linings match our doors keeping your doorways and rooms looking organised, stylish and sophisticated.

Engineered oak is made to last longer than solid oak, needing to be treated less and has less chance of warping.
