

Decking Balustrading 2015

CHESHIRE
mouldings

Love the home you're in

The perfect finishing touch to your outdoor living space

Our decking ranges were made to perfectly complement your garden and outdoor spaces. In tune with the changing of the seasons our products are designed in a variety of styles and finishes to always look their best and be enjoyed throughout the year.

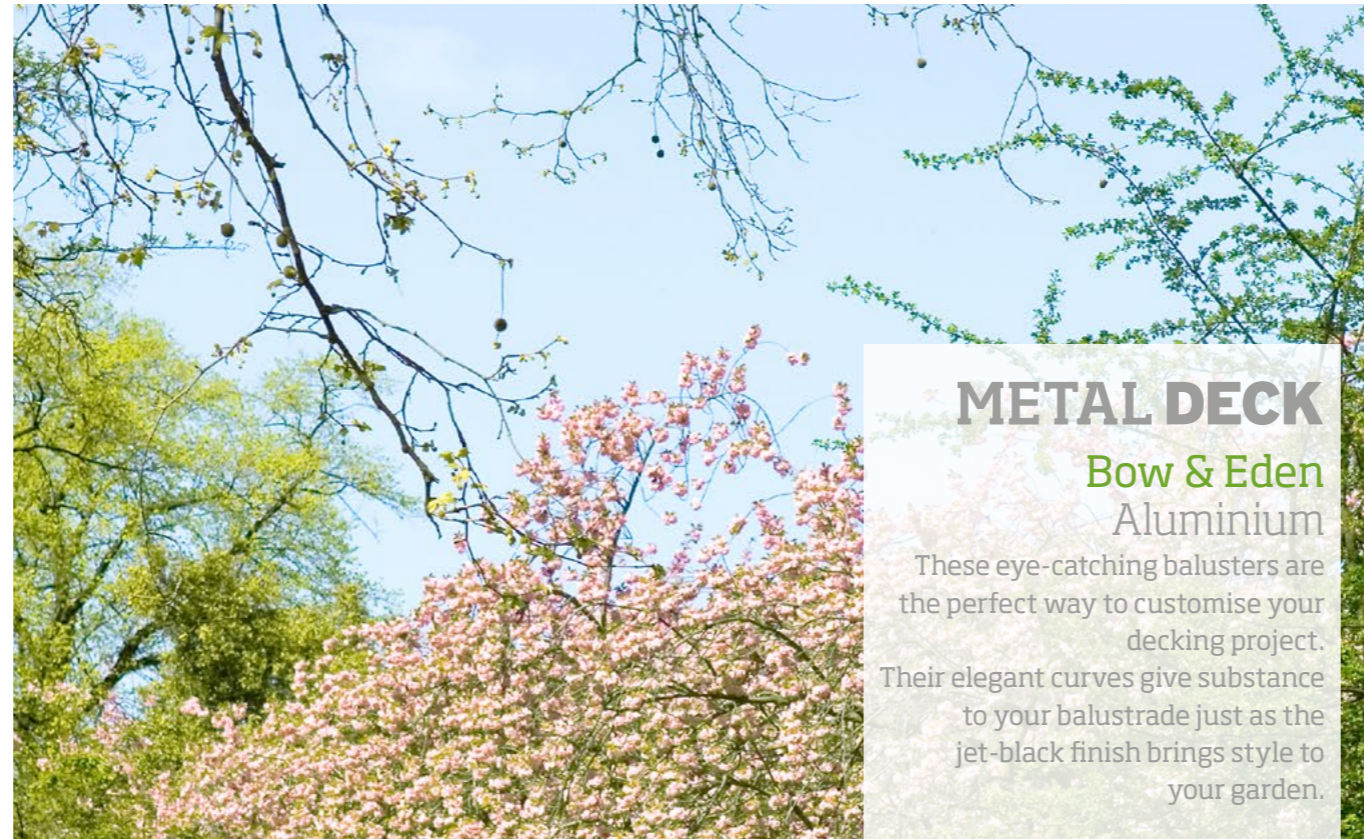

Cheshire Mouldings decking balustrades are manufactured to the highest quality and all materials used come from sustainable sources. All products are hardwearing and able to face up to even the most traditional of British summers.

So take your inspiration into the open and make your garden a place of beauty all the year round.

METAL DECK

Bow & Eden Aluminium

These eye-catching balusters are the perfect way to customise your decking project. Their elegant curves give substance to your balustrade just as the jet-black finish brings style to your garden.

Transforming your outdoor living space is simple

Our dedicated online planning service lets you visualise exactly how your new decking balustrading will look.

DECKING BALUSTRADING

CORE DECK

Stop Chamfered Softwood

The robust nature of our stop chamfered range means that it can take everything that our weather throws its way and still look great. Also available in Red Hardwood

CORE DECK

Turned Softwood

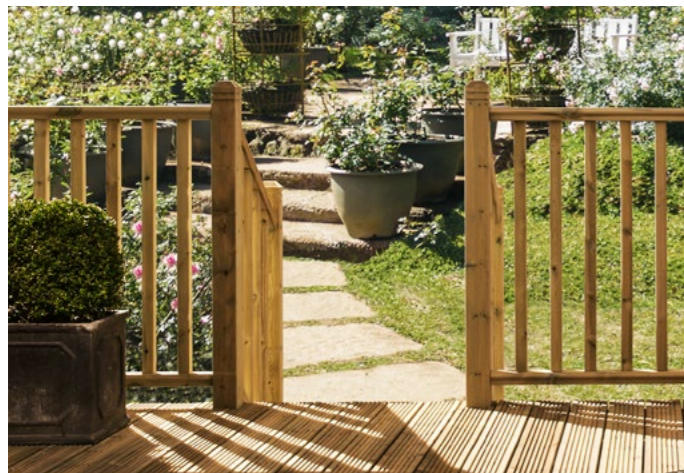

Your garden may change with the seasons but our turned decking range remains a timeless classic. It's one of our most versatile designs and works beautifully in gardens of all shapes and sizes. Also available in Red Hardwood

CORE DECK

Square Softwood

For those looking for the purest counterpoint to their garden, our square range is the perfect choice. They're still made from the same quality pine as the rest of our decking range. We never sacrifice quality especially where functionality is its strongest feature.

CORE DECK

American Softwood

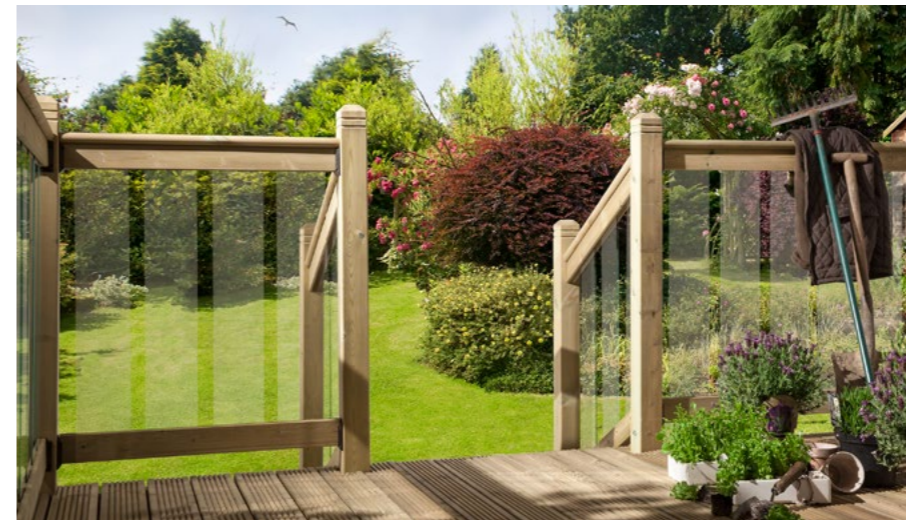

There's no doubt the design of our American range is engrained with its colonial heritage. Recalling the simple utility and rustic appeal of nineteenth century Shaker style, this range is intended to be functional yet still achieves an effortless beauty.

axxys® DEK

Stop Chamfered Softwood

axxys® DEK is a contemporary range of decking products designed to take your breath away. A modular system of pine timbers with metal and ABS components, axxys® DEK breaks down that boundary between your indoor and outdoor spaces to create an integrated living environment. Also available in Red Hardwood

CLEAR DECK

Clear Softwood

Clear Softwood blends the natural warmth of quality timber with dazzling glass balusters for a deck that blends traditional and modern. The result is a beautifully framed panoramic view of your entire garden.

MODERN DECK

Modern Deck

Our low maintenance aluminium extrusion balustrade system boasts zinc brackets and a hardwearing powder coated exterior for an ultra-modern, sleek finish that accords a level of sophistication to any outdoor project. It's simple to install and can be combined with our other decking ranges for extended flexibility.
